

# PONCAM for EVO IX

Lancer EVO IX PONCAM

**Conquering the  
MIVEC obstacle!**

## The latest camshafts produced by Tomei

Finally, the Lancer Evolution is in its 9th form. Throughout its transformation, Tomei continued to engineer various camshafts for the EVO enthusiasts across the globe. The EVO IX line of camshafts are just a progression of what Tomei has been doing since the beginning. Countless hours of research and development was performed in order to complete a set of cams that met the strict standards of the Tomei policy. The end result is a high quality product that produces effective results. With these camshafts, the true potential of the EVO IX 4G63 can be finally acquired.
