TITANIUM MUFFLER for SR20DET (R)PS13/S14/S15

TOMEI Titanium Exhaust System
EXPREMETi

The 180SX & Silvias are reborn.

True performance exhaust system that is designed with no compromise and made from original formula material to achieve the highest quality standard and most importantly the best performance. This new design comes with an additional glasspack in the middle for a better tuned racing sound in addition to the straight through structure of the existing Expreme Ti.
