JASMA certified

Exotic, pleasant and powerful exhaust note of titanium. Meets the Japan's Road Traffic Law standard and JASMA certified. The high performance and the best quality are not only for the track anymore!

SPEC

		BNR32	BCNR33	BNR34
dB	Road Traffic Law	103dB	103dB	96dB
	JASMA standard	100dB	100dB	95dB
	Ti SPORTS	99dB	99dB	92dB

※ Sound resonator is equipped on BNR34 to meet the increased dB regulation while maintaining the same high flow structure.

Comparison

Optimized high flow structure without any restrictions inside the mufflers. Amazing weight reduction and the best balanced oval sub muffler which is specifically designed for each application. The best allrounder exhaust ever, go legal on the street and unleash the beast on the track!
