CONTAINER BOX 50L

**Bottom safety load
25Kg!**

Rugged & high-capacity container box!

This container box has a top lid with an image of a "TOMEI complete engine" and engine part icons on the side.

Large capacity for car accessories as well as other items needed for races and events. It has the strength and load capacity to withstand stacking in limited space and storing heavy objects, and can be compactly stored away when not in use.
