

TITANIUM MUFFLER

for ZN8  
ZD8

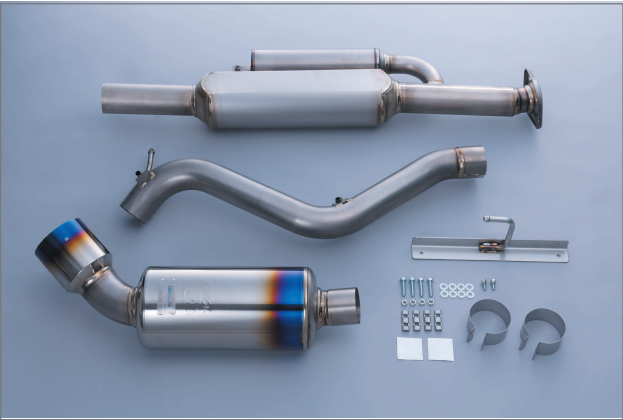

Street-legal certified

TiSPORTS

Titanium Muffler System

Super high flow and incredibly light,  
full titanium street-legal exhaust

Ti SPORTS is a street-legal exhaust muffler brand produced by TOMEI, built with over 50 years of experience in producing racing exhaust systems. Reduced sound level to meet the street regulation while delivering lightweight, high flow performance and the iconic titanium sound.

Fits both AT and MT GR86/BRZ, designed for those seeking racing-inspired performance on the street.

APPLICATION

GR86 (ZN8) / BRZ(ZD8) MT•AT

JPY 398,000

P/N: 442004

TOMEI POWERED INC.

Meets the street regulation

A powerful, iconic, and free-flowing exhaust note unique to a full titanium exhaust muffler. Reduced sound level for everyday driving, as well as to meet increasingly strict noise regulations even on today's tracks.

SPEC

		Ti SPORTS MT	Ti SPORTS AT	STD MT
dB	@ 3,500RPM	95dB	94dB	85.4dB
	@ Acceleration from 50km/h	82dB	82dB	-

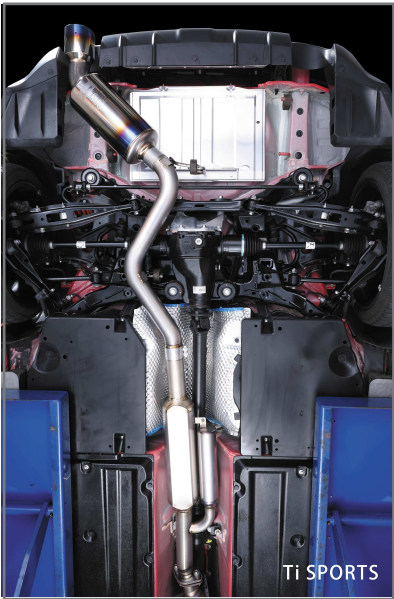

Comparison

Optimized flow achieved by the straight-through, non-restricted inner diameter structure. Significant weight reduction from the single out design made by high quality titanium delivers next level of performance on the street.
