HD LONG RECOVERY POINTS

for LandCruiser 250

For easy D-shackle installation

The 10mm-longer, extra reinforced design allows to attach any 7/8" D-shackles of your choice to the front recovery points without interference with the surrounding parts.

*Does not include a D-shackle

- Thickened structure of 9mm SS400 material versus the stock 8mm steel.
- Black powder coat finish for long lasting beautifulness and more durability.
- Accommodates D-shackles with 7/8" (22.5mm) or smaller pin diameter.
