TRUNK LID SPOILER for GR86/BRZ

Sporty accent to add a sharper look to the rear end

Never too loud, just enough to add a subtle yet authentic motorsports touch to the rear of the GR86 / BRZ. TOMEI Trunk Lid Spoiler is made from lightweight dry carbon fiber and is designed exclusively for those who seek true authenticity. The rich yet delicate texture of genuine carbon fiber quietly expresses its authenticity. The functional beauty of lightweight materials, combined with a clean silhouette blends seamlessly with the original design of the GR86 / BRZ. TOMEI Trunk Lid Spoiler offers a sharp, integrated look for who value true performance and authenticity.
