NEW RELEASE INFORMATION Vol.379

TITANIUM MUFFLER for SR20DET (R)PS13/S14/S15

Ti RACING, the latest and pinnacle exhaust series from TOMEI.

An enlarged 80.5 mm main pipe that is the largest in the market.
Yet, the meticulously refined piping layout achieves maximum ground clearance while maintaining an authentic, uncompromised performance and appearance.
Significant weight reduction, distinctive looks, the iconic racing sound and tone precisely tuned to stir your soul.
Ti RACING is TOMEI's ultimate answer for those who demand the best of the best from titanium, the ultimate material for exhaust systems.

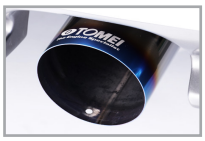

REFINED DESIGN

Maximum ground clearance, no compromise.
Through a meticulously refined piping layout, the new design gains 2 mm of additional clearance at the differential and 18 mm at the main resonator compared to the previous model.

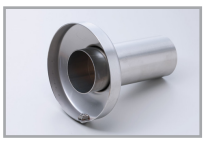

APPEARANCE MATTERS

The iconic rainbow hues of burnt titanium, paired with a laser engraved TOMEI logo, define our all-new end tip, redesigned to perfectly complement each model's bumper fascia and express its authentic performance.

SOUND REDUCER/SILENCER

The kit comes with end silencer baffle that can be attached as needed to comply with various environmental restrictions.
